

Antitrust Litigation Associate Attorney

DiCello Levitt LLP

New York

Join a firm that is shaping front-page headlines pursuing justice every day, whether litigating some of the most significant civil and human rights cases of our time or ensuring that companies take responsibility for their actions and remediate the harm they have caused.

DiCello Levitt, a nationally prominent, Chambers and Benchmark-rated law firm with offices nationwide, is seeking an experienced Litigation Associate for our Antitrust Practice Group in New York.

Description

This is a full-time role for a Litigation Associate in our New York office. The successful candidate will be an integral part of the antitrust practice group.

DiCello Levitt has led the charge in some of the most significant private antitrust litigation over the last several decades. Our Antitrust Practice Group's singular focus is to help businesses and consumers get economic justice by righting the wrongs against them in the marketplace through aggressive advocacy and skilled problem-solving.

Antitrust Litigation Associate Attorney (Continued)

Role and Responsibilities:

- Advise clients on antitrust laws and regulations, and their implications on business
- Represent clients before regulatory bodies and courts on antitrust issues
- Prepare and file legal documents such as complaints, motions, and briefs
- Conduct research and analysis of legal problems
- Stay abreast of changes in antitrust laws and regulations
- Engage in negotiation and mediation to resolve disputes
- Interpret laws, rulings, and regulations for individuals and businesses
- Evaluate findings and develop strategies and arguments in preparation for presentation of cases

Desired Skills and Qualifications

- Proficient in researching and drafting pleadings, motions, and discovery materials.
- Experience taking and defending depositions.
- Strong communication skills, with the ability to effectively engage clients, juries, opposing counsel, and judges, both verbally and in writing.
- Ability to thrive in a fast-paced environment, independently and simultaneously managing multiple cases, developing strategies, and overseeing all aspects of litigation.
- Advanced legal research skills, with expertise in applying case law and statutes to build strong case strategies.

Education and Experience

- Juris Doctor (JD) from an accredited law school.
- Active license to practice law in the relevant jurisdiction(s), in good standing with the state bar.
- Minimum of 5-8 years of experience in complex litigation at a defense or plaintiff trial firm. Trial experience a plus.

About DiCello Levitt

At DiCello Levitt, we're dedicated to achieving justice in all its dimensions, from protecting individual rights to achieving environmental justice to restoring basic human dignity through the justice system. Our firm works tirelessly for a just and equitable future for our clients through class-action, mass tort, civil rights, whistleblower, and personal injury litigation, among other practice areas.

Our lawyers are highly respected for their ability to litigate and win cases – whether by trial, settlement, or otherwise – for people who have suffered harm, businesses that have sustained significant economic losses, and public clients seeking to protect their citizens' rights and interests. Every day, we put our reputations – and our capital – on the line for our clients.
